I got caught in a hurricane  
No one but myself to blame  
I got lost in the rain  
Then I got stuck in a spider web  
Tangled up in all my cares  
Such a lonely affair

Like a raging sea  
Fear wants to swallow me  
I've searched but there's no peace without You

But if I lose this life  
I know I'll find it in You  
So won't You take my life  
Cause I surrender to You  
I'm running back to the Truth  
Your word is clear  
I've got to believe it

Lost, so lost  
Somewhere in the dead of night  
Drifting like a satellite  
Spinnin' out of control  
But love, Your love  
Is stronger than gravity  
And it's pullin at the heart of me  
And I'm giving in

Like a raging sea  
Fear wants to swallow me  
I've searched but there's no peace  
Without You

But if I lose this life  
I know I'll find it in You  
So won't You take my life  
Cause I surrender to You  
I'm running back to the truth  
Your word is clear  
I've got to believe it

Lose this life, it's the death of me  
Lose this life, it's gonna set me free  
Lose this life, it's the death of me  
Lose this life, it's gonna set me free

And if I lose this life  
I know I'll find it in You  
So won't You take my life  
Oh, I surrender to You  
There's no denying the truth  
Your word is clear  
I've got to believe it  
I've got to believe it
