"Loss For Words"

Visit "[Loss For Words](#)" on MotoLyrics.com

I'm at a loss,
I'm at a loss for words, I really want to say
I'm finding for myself
What can I do
When every road I travel leads me back to you
Instead of somewhere else
I apologize

CHORUS

Cause what I wanted to say
Never came out the way
I wanted it to, I wanted it to
Cause what I wanted to say
Only got in the way
I never meant to hurt you
But I didn't have a clue

I'm just a man
I'm just a man in need of something better than
I'm finding for myself
You count the cost
For everything you gain there's always something lost
You're worth so much more
Listen to my heart whispering
I need you

CHORUS

Empty words cannot suffice
I've been runnin' from what I know is right
When only Yours are words of life

CHORUS

Every time you come around
Every time I make a sound
