I've watched you watchin me
But I can't see what you see
You ask me how I feel
But you don't believe me still

No
Cause what I say
Is here today
And gone tomorrow

Chorus
You treat me like a spy
When I come around
Just like a private eye
Roaming trough your town
You treat me like a spy
And I cant see why
If only looks could kill

You taunt me
You doubt my faith
Then you shove it in my face
You tempt me
But I won't bend
You've wasted your time
Again

Yeah
And it's a shame
Will you ever change
You're son suspicious

Chorus

You treat me like a....
You treat me like a...
You treat me like a spy
