Start off with a hug, lead into embrace

Oh girl, I'm glad to see you, oh face-to-face

Not a day of age, oh and by the way

I forgot to say how much I missed you, baby

And just like deja vu, I say

Running into you this way

I wanna keep you here

I gotta have you near

Can I have a kiss from you

Can I have a kiss from you

For old times' sake, oh baby

Can I have a kiss from

(Can I have a kiss)

Can I have a kiss from

(Can I have a kiss)

For old times' sake, no

Been a long time since I've called you mine

Sure would love to see us back together like we used to  
be

So let me take you out, so much to talk about

Like things we used to share and how to get it back, my  
dear

Just like deja vu, I say  
Running into you this way  
I wanna keep you here  
I gotta have you near  
Can I have a kiss from  
(Can I have a kiss)  
Can I have a kiss from  
(Can I have a kiss)  
For old times' sake, oh baby  
Can I have a kiss from  
(Can I have a kiss)  
Can I have a kiss from  
(Can I have a kiss)  
For old times' sake  
Oh yeah, well yeah, well, well  
Well, well, well, well  
Can I, can I, can I, can I
