(ron isely)

Its 2am just gettin' in about to check my message

No one has called but my homies and some bill
collectors

Cellular rings somebody wants to borrow money

I two way her if she don't hit me back something is
funny

So I called her mother's house and asked her had she
seen my baby (Oh I)

Rolled my 6 around lookin' for that missin' lady

Got back in turned the TV on and caught the news

Then I put my hand on my head cuz im so confused

and then i turned the TV down (TV down) cuz I thought i
heard a squeaky sound

Mm something's goin on upstairs (yeah) cuz I know
nobody else lives here

BUM.BUM.BUM

As I get closer 2 da stairways all i hear

and then i hear my baby's voice

in my ear screamin' out

your contagious

touch me baby

give me what you got

(then a man says)

sexy lady

drive me crazy

drive me wild

all i heard was mah babys voice screamin

your contagious

touch me baby

give me what you got

(then a man says)

sexy lady

drive me crazy

drive me wild

o i juss cant believe this shit

I ran downstairs looked in the closet lookin for the

whooh

Said a prayer only god knows what im gonna dooo

What I saw was enough to drive a preacher wild

I'm in the hall contemplating in my own damn house

Who woulda thought she was creepin' with another
man

The downlow had happened to me all over again

And then I turned the TV down, (TV down) cuz I know I
heard a squeaky sound

Somethings goin on there upstairs cuz i know it no one
else lives here

*Bum*Bum*Bum*

As I get closer to the stairways all I hear

And then I hear my baby's voice in my ear screamin'
out

your contagious

touch me baby

give me what you got

sexy lady

drive me crazy

drive me wild

O i jus cant believe this shyt
