Well, yeah, oh

What do you do when you love somebody

And everything is goin' wrong? Oh, no

Nobody knows the way you feel about it

?Cause only you know, you can't leave it alone

Oh, here we go again, oh, here we go again

I thought what we had was over

Here we go again, ooh, hoo

Oh, here we go again

What do you do when you love somebody

And you decide to go it alone? Oh, no, no

It never pays to give up on someone

When on the inside the feelin' is strong

Oh, here we go again, oh, here we go again

I thought what we had was over now

(Here we go again)

Ooh, baby, oh, here we go again, ah

After all we've been through, baby, yeah

I keep comin' back to you now

Out of all the women in the world

I keep comin' back to you, yeah, baby

What do you do when you love somebody
And realize you're walkin' away? Oh, no, no
You hesitate when it's time for leavin'
You and I know it's never too late
Oh, here we go again, here we go again
Don't ever say it's over now
(Here we go again)
Ooh, baby, here we go again, oh
After all we've been through, baby, well
I keep comin' back to you now
Out of all the sweet women of the world
I keep comin' back to you, yeah, baby, oh
After all we've been through, baby, yeah
I keep comin' back to you now
Out of all the sweet women of the world
I keep comin' back to you, yeah, baby
