I try but I can't seem to get myself to think of

Anything but you

Your breath on my face, your warm gentle kiss

I taste the truth, I taste the truth

You know what I came here for, so I won't ask for more

I wanna be with you, if only for a night

To be the one who's in your arms, who holds you tight

I wanna be with you there's nothing more to say

There's nothing else I want more than to feel this way

I wanna be with you

So I'll hold you tonight like I would if you were mine

To hold forever more

And I'll savor each touch that I wanted so much

To feel before, to feel before

How beautiful it is just to be like this

I wanna be with you, if only for a night

To be the one who's in your arms, who holds you tight

I wanna be with you there's nothing more to say

There's nothing else I want more than to feel this way

I wanna be with you

(I wanna be with you)

I wanna be with you
Oh, baby, I can't fight this feeling anymore
It drives me crazy when I try to
So call my name, take my hand
Can you make my wish, baby, your command
I wanna be with you there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you
(I wanna be with you)
I wanna be with you
I wanna be with you, yeah
(I wanna be with you)
I wanna be, I wanna be with you
I wanna be, I wanna be, I wanna be
I wanna be with you
I wanna be baby, I wanna be with you
I wanna be, I wanna be, I wanna be
(I wanna be with you)
I wanna be baby, I wanna be with you
I wanna be, I wanna be, I wanna be
I wanna be with you, I wanna be with you, I wanna be
(I wanna be with you)
I wanna be with you, I wanna be with you
