Baby, just stay with me a little longer

Baby, I'll guarantee the feeling stronger

You don't know what you do to me

I wanna be inside you, baby

Baby, just stay with me a little longer

Baby, I'll guarantee we'll get it on

Read my mind and I know you'll find

I wanna be inside you, baby

There ain't nothing but love inside you, girl

And I wish that you knew what goes on inside of me,
baby

Stay with me a little longer, baby, I'll guarantee we'll
get it on

All I know is what you do to me, I wanna be inside you,
baby

There ain't nothing but love inside you, girl

And I wish that you knew what goes on inside of me

Baby, just stay with me a little longer

Baby, I'll guarantee the feeling stronger

You don't know what you do to me

I wanna be inside you, baby

Baby, just stay with me a little longer

Baby, I'll guarantee we'll get it on

There ain't nothing but love inside you, girl

And I wish that you knew what goes on inside of me,
baby

Baby, just stay with me a little longer

Baby, I'll guarantee the feeling stronger

You don't know what you do to me

I wanna be inside you, baby
