Intro]

Oh, oh

Yeah, yeah yeah

How can I refuse your body laying next to me

I wanna know if you see the same thing that I see

Listen baby

Laying right here in your bed is where I wanna be

Making love to your body with your body on top of me

1 - Oh, how I wanna love you babe

Just like this, just like this

Oh, how I wanna touch you babe

Just like this, just like this

Oh, how I wanna feel you babe

Just like this, just like this

Oh, how I wanna love you babe

Just like this, just like this

I wanna try something new baby

That we never tried before

I wanna do something to you babe

Wait a minute, come back here on the floor

Oh tell me how do you like Mr. Bigg's cashmere rug

baby

Does it feel good to your body baby

Make you feel right

Repeat 1

Oh, keep on pushing babe

Don't stop now

Slow it down

Make it go round and round

And round and round and round

It's time to go down

Don't stop what you doing babe cuz

I'm going down

Repeat 1 with ad libs until fade
