f you're down, and confused
And you don't remember, who you're talkin' to
Concentration slips away
'Cause your baby is so far away

Well there's a rose, in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with

Don't be angry, don't be sad
Don't sit cryin', talkin' 'bout the good times you had
Well there's a girl, sittin' right next to you
And she's just waiting for something to do

Well there's a rose, in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with

Turn your heartache right into joy
She's a girl, and you're a boy
So why don't you get it together, make it nice
You ain't gonna need any more advice

And there's a rose, in a fisted glove
And the eagle flies with the dove
Sometimes you can't be with the one you love, honey
Love the one you're with
