Oh, I believe you are a rainbow  
You are the heaven I need to see  
You're the promise everlasting  
Where you are I hope to be  
Make me say it again girl  
Make me say it again girl  
Make me say it again girl, you're all I need  
Whatever pain's inside, you make it better  
You make me realize that I'm concerned  
You are the only one who goes through the changes  
Given my life direction when I am torn  
Make me say it again girl  
Make me say it again girl  
Make me say it again girl, you're all I need  
Why am I worthy of love from an angel  
Princess imperial of my soul  
Don't really matter if you choose not answer  
Hopin' that what I real you already know
