[ohhh oohh ohh oohh ohhh
(listen baby) You need direction, love and affection
Someone to be there a man that truly cares put your
trust in me and i will set you free i know of a better
place and i happen to be going that way

Chorus: Take a ride with me baby on a highway that
leads to love come with me sealing free under the
skyway just both of us(repeat)

Relax enjoy the ride cause soon we will be there leave
troubles way behide cause joy is waiting there so hold
on to my hand picture us on an island makin love
under pouring rain you and me will be like cast away

Chorus: Take a ride with me baby on a highway that
leads to love come with me sealing free under the
skyway just both of us(repeat)

Soon we'll reach our dystany once we're there we'll
know we're free your body screaming as we lay girl let
love take us away

Chorus: Take a ride with me baby on a highway that
leads to love come with me sealing free under the
skyway just both of us(repeat3x)

music fades.....]
