"My Mistake"

Drugs used to make me smile

If only for a little while

It turned out to be a big mistake

Caused more pain then I could take

When I started using it

It made me feel okay

When I had a problem

It made it go away

I used to be so fine

Felt like the world was mine

CanÃ‚'t forget about the times

The times that I was high

Drugs used to make me smile

If only for a little while

It turned out to be a big mistake

Caused more pain then I could take

Things where getting worse

Back in those days

Lost so many friends

In also many ways

Looking back to those days

I can only regret

Regret the times

The times I was being high

All the drugs that I usedÃ‚â€¦..MY MISTAKE! MY MISTAKE!

Every time that I was highÃ‚â€¦..MY MISTAKE! MY MISTAKE!

All the things that went wrongÃ‚â€¦..MY MISTAKE! MY MISTAKE!

All the friends that I lostÃ‚â€¦..MY MISTAKE! MY MISTAKE!

The junk that I becameÃ‚â€¦..MY MISTAKE! MY MISTAKE!

All the time I didnÃ‚'t seeÃ‚â€¦..MY MISTAKE! MY MISTAKE!

I decided to quit

Before my life was totally wrecked

And I did it

Got my life back on track

It was hard

But I was strong and now IÃ‚'m fine

But IÃ‚'ll never forget

Forget the times that I was high

Drugs used to make me smile

If only for a little while

It turned out to be a big mistake

Caused more pain then I could take

All the drugs that I usedÃ‚â€¦..MY MISTAKE! MY MISTAKE!

Every time that I was highÃ‚â€¦..MY MISTAKE! MY MISTAKE!

All the things that went wrongÃ‚â€¦..MY MISTAKE! MY MISTAKE!

All the friends that I lostÃ‚â€¦..MY MISTAKE! MY MISTAKE!

The junk that I becameÃ‚â€¦..MY MISTAKE! MY MISTAKE!

But got my life back on trackÃ‚â€¦..ITÃ‚'S ALLRIGHT!!!!!!!!!!!!!
