### "Ticket, Please"

Cannot get inside  
Show me your ticket please  
I didn't see it coming  
Lost the ticket again

Find a seat! find a seat  
Or stand up in the corner  
Everybody runs  
Everybody's in the slaughter

Show me your ticket please!

Come on, come on  
Come on, come on, get in  
Come on, come on, hop up on baby

Fight to get inside  
'Cos there is no place for all  
So get your boarding pass now  
And get in line or get out

Find a seat! find a seat  
Or stand up in the corner  
Everybody runs  
Everybody's in the slaughter

Show me your ticket please!

Come on, come on  
Come on, come on, get in  
Come on, come on, hop up on baby

We're not letting you in  
Without a ticket  
You're out as anybody  
In those conditions

We're not letting you in

Stop running, stop yelling  
It won't stop for you

This is society, running in rails

Come on, come on

Come on, come on, get in

Come on, come on, hop up on baby
