Turning the ground
I once used to know
People are strangers
Same as before
Streets look familiar
I remember the park
Where I buried my head
So deep in my hands
All around me was dark

So throw me a line
Somebody out there help me
I'm on my own
I'm on my own
Throw me a line
Afraid that I have come here
To win you again
With trembling hands

This here city
Has fall along with me once
Won't find no angels
Sell a map to the lost
This here place
Is too small for two
It took one to realize
When dreaming's this hard
It's not meant to come true

So throw me a line
Somebody out there help me
I'm on my own
I'm on my own
Throw me a line
Afraid that I have come here
To win you again
With trembling hands

Passing the lanes
Looking over the buildings
Time seems to stop
While the millions keep moving

Now here I am
I'm a drop in your ocean
Noise in the crowd
Pushing through your halls of reason

So throw me a line
Somebody out there help me
I'm on my own
I'm on my own
Throw me a line
Afraid that I have come here
To win you again
With trembling hands

Hear me now make me whole
Hear me now make me whole

So throw me a line
Somebody out there help me
I'm on my own
I'm on my own
Throw me a line
Afraid that I have come here
To win you again
With trembling hands

There goes the ending
It left me in the war
But I tried everything yea
I'm done with my part
