A headache minus pills  
and a torture of skin  
Iã, 'm wearing suede, wait, rain!  
would you please let me in?  
She figured me out  
but she figured me wrong  
Now my lady-friend is gone

A tickle ãçÃ" a tackle  
A punch in the head  
I had to get away but my tires were flat  
The next morning  
I had just this one thing to do  
But the alarm clock broke in two

To be honest IãçÃ"m amazed  
obstacles along the way  
biting tongues and fingernails

Situations have been here forever  
Realizing this now more than ever  
I am taking more than I am giving  
This is living, living, living, living

A message - a beep  
I wonder whatãçÃ"s going on  
But when I tried to push play  
the ã,Ã»deleteã,Ã«-button won  
I see people laughing only to find out that itãçÃ"s  
me they laugh about

A question ãçÃ" a prize  
Lots of money in sight  
The answer was ã,Ã»leftã,Ã«  
and now guess who said ã,Ã»rightã,Ã«  
Imagine the worst of the worst of the worst  
Of the losers I go first

First IãçÃ"m blinded then amazed  
obstacles along my way  
biting tongues and fingernails

Situations have been here forever  
Realizing this now more than ever  
I am taking more than I am giving  
This is living, living, living, living
