She's been going down
A road so long
And he's been thinking
No I'm not that strong
So now there's trouble up ahead
And it brings them down

The sight is clearer now
Now I see your eye
Going blank like an icy sky
You're wearing shades
Like only losers do
Well I'm not half that stupid

How could somebody
Become so stale
What's the matter
Why are you feeling so failed
I've got something up my sleeve
I won't let you down

It seems some people
Ain't got no shame
And I don't really know
Who's to blame
But I hear moaning all the time
And it brings me down

The sight is clearer now
Now I see your eye
Going blank like an icy sky
You're wearing chains
Like only lovers do
Well I'm not half that stupid

The sight is clearer now
Now I see the sky
Lighting up like a frosted mind
You're wearing shades
Like only losers do
Well I'm not half that stupid
