Oh my heart is cryin' in the night for you

Oh my God oh don't you feel like a fool

You're foolin' yourself with a millionaire

You think it's love but he don't care

And one of these days you're gonna be surprised

Diamonds never made a lady

Lover or a friend I know it

Diamonds never made a lady

Oh your dreams will end I know it

Your California nights

Oh money held you tight

It was just a dream

Come on don't tell me lies

Give me the peaceful nights

Your sweet dreams

Oh my God you really think you have it made

Your heart is one with first-class expensive paint

You drink champagne in cadillac

A color-tv in a back of your car

But one of these days you're gonna be surprised
