I hear your heartbeat heartbeat heartbeat

Playin' with my mind

Oh I need you wrapped around me just

Like I'd be on a vine

But now I'm only lonely lonely

Holdin' on to you

Oh I need you back here with me yeah

I think you want it too

Now I'll fill you with a new emotion

Heal you when you cry

I'll be your loving doctor of the night

Do you wanna take me tonight

Do you wanna make midnight

Do you wanna if you wanna

Take what you need

Do you wanna make it alright

Do you wanna have once your night

Oh baby do you wanna if you wanna

Take what you need

I hear your heartbeat heartbeat heartbeat

Beggin' me for more

Oh I need you hear that question

Like a dancer need a floor

And now you're only only only

Holdin' on to me

Oh now tell me that you're comin' back

One word is all I need

Now I'll fill you with a new emotion

Heal you when you cry

I'll be your loving doctor of the night
