Walk away don't say good-bye  
Turn around don't let it die  
Love will find the way to you  
Feelings and emotions  
Are just like stormy ocean  
Can you stay the way you are  
Heaven knows you come so far  
Love will find the way to you  
So promise me forever  
There'll never be a never

Baby don't don't give up  
If your heart is broken  
Make a brand-new start  
Baby don't don't give up  
Count to ten  
Start again

Don't give up hold on tight  
On the way see the light  
Don't give up hold on tight  
Let your love make it right  
Don't give up hold on tight  
Don't leave love out of sight  
Then you'll never be alone

Need a friend so count on me  
All the things in life for free  
Love will find the way to you  
Baby keep on tryin'  
Love will keep on flyin'  
Thou you think you lost your way  
Tomorrow is another day  
Love will find the way to you  
Shadows will be fallin'  
Dreams keep on callin'
