She has a heart of gold

The way to paradise is cold

I know I know

That this world is a show

Love you more than words can say

There is a will - there is a way

I know I know

That this world has a soul

I want you hey you

Feel brand-new

Oh I'll break the golden rules

Time is on my side

I want you hey you

Take a chance on me

Baby put your love on me

I want you tonight

I want you hey you

Little boo-ba-loo

You shot a hole right in my soul

Hey girl hey girl take this chance for love

I want you hey you

Little boo-ba-loo

You want me and I want you

Hey girl hey girl you're the one I'm dreamin' of

I'm tired of bein' alone

Oh girl it's easier said than done

I know I know

That this world is a show

Oh you wasted days and nights

Give me the chance for paradise

I know I know

That this world has a soul
