Albatross - show me your dream of love
Albatross - without her love I'm lost
Good love never dies
Angels never fly so high
I'm dreamin' dreamin'
Comin' back to me

I'm stranded in the middle of nowhere
Take care
I'm stranded in a struggle of my dream
It seems
Baby oh I need you more
Like roses need the rain
Baby oh I need you more
Come and take my hand

Albatross - harder I try bluer I get
Albatross - don't leave me alone I'm sad
Oh I'll find my home
Right back where I started from
I'm dreamin' dreamin'
Comin' back to me

I'm stranded - nobody cried time's on my side
I'm stranded - I don't know where but you're not there
I'm stranded - playin' the fool breakin' the rules
I'm stranded - babe touch a hand and make a friend
I'm stranded - nobody cried time's on my side
I'm stranded - I don't know where but you're not there
I'm stranded - playin' the fool breakin' the rules
I'm stranded
