Intro

Brooklyn, Brooklyn

Party up, party up - Brooklyn

Party up, party up baby

I cannot sleep - the night is young

I cannot eat - I want some fun

I pick you up - Route 66

Life gives me the kick

I cannot live - I love this life

I cannot die - can I survive

I cannot breathe - without your love

I can't get enough

Chorus

It's the last exit to brooklyn

New York city, oh is waiting

You're a new boy, you're a party guy

Baby let's dance, and have some joy

West coast, east side, that is the place where

New York city boy, L.A. party girl

Baby let's dance, in a brand new world

4 - 6 - 0 - 1 - east avenue

Why does my heart - beats just for you

I cannot give - you more IÂ´ll give

Baby please forgive

I cannot tell - you thousand lies

I have the love - right in my eyes

The night is young - I want your heart

Baby can we start

Insert

Hold on, baby, baby hold on

Party up, party up, party up

I can't believe - oh what I see

I can't control - it's ecstasy

I canÂ´t explain - oh what I feel

My dreams comes so real

I cannot leave - your love alone

I cannot say - good bye to you

When my dream comes true
