I cannot sleep - the night is young

I cannot eat - I want some fun

I pick you up - Route 66

Life gives me the kick

I cannot live - I love this life

I cannot die - can I survive

I cannot breathe - without your love

I can't get enough

Refrain

Refrain It's the last exit to Brooklyn

New York City, oh is waiting

You're a new boy, you're a party guy

Baby let's dance, and have some joy

West coast, east side, that is the place where

New York, L.A. I wanna live there

New York City boy, L.A. party girl

Baby let's dance, in a brand new world

4 - 6 - 0 - 1 - East Avenue

Why does my heart - beats just for you

I cannot give - you more I'll give

Baby please forgive

I cannot tell - you thousand lies

I have the love - right in my eyes

The night is young - I want your heart

Baby can we start

In between

Hold on, baby, baby hold on

Party up, party up, party up, baby, party up, party up

I can't believe - oh what I see

I can't control - it's extacy

I can't explain - oh what I feel

My dream comes so real

I cannot leave - your love alone

I cannot go - I'm not a stone

I cannot say - good bye to you

When my dream comes true
