You are one in a million

You are one in a million

You are all of my love

You are everything for me

You are one in a million

You are one in a million

You caught me with your charms

When you held me in your arms

Oh lonely light

I hear your heartbeat deep in the night

I need you so

Know that I can't let you go

Dim all the light

And let me hold you so tight

The night is yours and mine

You're lookin' fine

Just tonight

Just like a child

You're sometimes weak sometimes you're wild

You understand

Sometimes I feel like a man

Stay here tonight

And let me hold you so tight

You are the one for me

You're all my dreams

My reality
