You're walkin' like an angel in heaven

In the night I see an angel in you

In my lonely dreams I count to seven

And I call you babe you know that it's true

When you're young and in love

It's too hard to stop

Young and in love

You never give up

Only love can break my heart

It's tearin' me apart

No I'll never feel brand-new

Only love can break my heart

Playin' this so hard

Nobody loves me like you do

Only love can break my heart

It's time to make a start

Babe I love you without end

Only love can break my heart

You'll make it if you start

Baby take me as your friend

Your feelings are tossin' and turnin'

You have to learn to pay the right price

Your lonely heart keeps on burnin'

But an angel will hear many lies

When you're young and in love

It's too hard to stop

Young and in love

You can never give up
