Secret message for a rendezvous

Distant fire it's hurtin' you

And it's so sad good love go back

Tears of love will make me sad

Frozen teardrops runnin' with the night

Sorry doesn't always make it right

Tears of love tears in my heart

Why this love just break apart break apart

I'm riding on a white swan

I need your heart tonight

I'm riding thru a hard storm

Don't treat me like a child

Are you riding on a white swan

I got babe what you need

Are you riding on a white swan

You got the best of me

On the wings of a nightingale

Playin' games your love for sale

Then my girl belong to yesterday

Oh return don't lose your way

It's more than just the two of us

Heart is open come on trust

Love I gave for your mystic smile

Should I go or stay awhile stay awhile
