You're breakin' my paradise

Hearin' an echo cry

Don't be a thief who's stealin' hearts

Dreamland in night cafe

You'll never find the way

Don't be a thief for tears of love

All precious memories

You had thru the years

All they are passin' one by one

You kill the memories

With all the pain and fears

Baby together we are strong

Ten thousand lonely drums are playin' in my heart

Ten thousand drums are dreamin' feel apart

Ten thousand drums playin' just for you

Ten thousand drums are sayin' missin' you

All those drums are playin' in your mind

Take care of it 'cause love is hard to find

All those drums I'll never let you go

Take care of it and our love will grow

Like a hero I'll smile again

If you will play this game  
Don't be a thief who's stealin' hearts  
Light of a thousand miles  
It takes a little while  
Don't be a thief for tears of love  
Welcome to paradise  
If you will leave the lies  
Then they'll be passin' one by one  
You kill the memories  
With all the pain and fears  
Baby together we are strong
