There's something in the air

There's something in the air

I know, I know, your love is like the ocean

I know, for sure, your head is in the clouds, my love

Oh I know, your love, is like a sweet devotion

Baby, baby tell me, tell me, what's love is all about

Chorus

There's something in the air

Oh b-b-baby, you're love is so unfair

Oh b-b-baby

There's something in the air, something in the air

Baby but your love is crazy, baby I don't care

There's something in the air tonight

Baby but your love will make it always right

Baby there's something in the air tonight

Oh I can feel it

There's something in the air

There's something in the air

I know me make a night, we will remember, oh no

I know we turn the night, in million days, my love

I know for sure it like summer in december

Baby, baby, nobody knows, where is the perfect way

Chorus

There's something in the air

Oh b-b-baby, you're love is so unfair

Oh b-b-baby

There's something in the air, something in the air

Baby but your love is crazy, baby I don't care

There's something in the air tonight

Baby but your love will make it always right

Baby there's something in the air tonight

Oh I can feel it

There's something in the air

Oh b-b-baby, you're love is so unfair

Oh b-b-baby

There's something in the air, something in the air

Baby but your love is crazy, baby I don't care

There's something in the air

There's something in the air

There's something in the air

There's something in the air
