Like the leaves fallin' off a tree  
I feel your love is dyin' for me  
Ooh you tell me it's not the end  
Where is the love that you're for sent

There's too much blue in missing you  
I believe I was a fool  
Before you said goodbye  
Oh give us one more try  
Yeah I can't forget  
All the love we had

There's too much blue in missing you  
Oh believe my heart is true  
Your love's slippin' away  
A little bit everyday  
Throwin' away  
In such an easy way

Look at me I'm lucky one  
Without feelings you can't be strong  
Thou I call you in the night  
To hear your voice feel you deep inside
