"Wild Wild Water"

Be quiet... be quiet...

Sail across the universe

All the magic here on earth

Slippin' in the sliding

Rollin' in the riding to you my love

Summer breeze reminded me

Love was wild oh love was free

Memories you're hidin'

Babe you'll come a ridin' to me

Wild wild water

Brings me back to you

Over and over

Wild wild water

Babe still missin' you

Over and over

Wild wild water

Free as the wind in the summer sky

Wild wild water

Expect the love that just won't die

Be quiet... be quiet...

Silver water reeve me tight

Rings that go back to my sight
Slippin' in the sliding
Rollin' in the riding to you my love
You'll be comin' back some day
True I'd want it come what may
Memories you're hidin'
Babe you'll come a ridin' to me
