They said oh yeah it's a tough world  
You are restless and you are young  
I said oh girl it's a good world  
And your time will come  
Your time will come  
They said you came from the wrong side  
He's a page from the end of the book  
I said you came from the right side  
Took me just one look  
Then you understood  
With a little love you will survive  
With a little love you will get by  
Do what you want go your own way  
'cause it's your life  
With a little love you make the start  
Yeah why lovers break each other's heart  
Do what you want go your own way  
'cause it's your life  
They said no future forget it  
You came from the wrong side of town  
I said don't listen don't let it

Let it bring you down

Make you wear a frown

They said oh let him down easy

Left at the hearts you have won

I said that love is for livin'

Like the morning sun

It had just begun
