Here's the No.1 track  
For the love of my life  
Everything I sacrifice  
Just to make her my wife  
Kiss me hot like fire  
Never cold like ice  
I'll pay any price  
'Cause she's just that nice  
Every line of my rhyme is dedicated to you  
And I'll always be true, never will you be blue  
You're the best of me, I'll love till I grow old  
Worth more than gold 'cause You're My Heart, You're  
My Soul

You're my heart, you're my soul  
I keep it shining everywhere I go  
You're my heart, you're my soul  
I'll be holding you forever  
Stay with you together

You're my heart, you're my soul  
Yeah, a feeling that our love will grow  
You're my heart, you're my soul  
That's the only thing I really know

My heart and soul!

I can imagine I was stranded on an island with her  
And not a soul in the world knew where we were  
I visualize and hypnotize, lost in your fur  
And I love you more than anything on this earth  
Give up the fortune and fame, commence to living  
alone  
Home alone, won't even answer the phone  
But every breath I take make the truth unfold  
Let the whole world behold you're my heart, you're my  
soul

You're my heart, you're my soul  
I keep it shining everywhere I go  
You're my heart, you're my soul

I'll be holding you forever  
Stay with you together

You're my heart, you're my soul  
Yeah, a feeling that our love will grow  
You're my heart, you're my soul  
That's the only thing I really know
