Said she was addicted to love, pack it up and follow me
And I'll show you la grande Vida
She asked me if I wanted to dance, told her just might
take a chance
In search of la grande Vida

La grande Vida is what we're looking for
La grande Vida is what we always want

We move to the American shore
We text back the records just to look in for more
In search of la grande Vida
She asked if I was a reggae man, I'll follow you to the
burnin' sun
In search of la grande Vida

La grande de Vida is what we're looking for
La grande de Vida is what we always want

Said she was addicted to love, now pack it up and
follow me
And I'll show you la grande Vida
Come, did you make her down, man, we'll sure will
burn it down
In search of la grande Vida

La grande Vida is what we're looking for
La grande Vida is what we always want

La grande, la grande

Said she was addicted to love, pack it up and follow me
And I'll show you la grande Vida
We live on the American shore, toots and bobs and lots
of more
In search of la grande Vida
