The tide is high but I'm holding on  
I'm gonna be your numba 1  
I'm gonna want numba 1

(Kardinal Offishall)

She just my one time lover  
Pretty little thing

Nothin but a pretty woman that i'd fling  
She even knows she want to be the queen to my king

There no way she could be my girl  
She steady while tryin to come into my world

(Rihanna)

(Kardinal Offishall)

I'm gonna be your numba 1

Those other girls ain't nothing like me.  
Just give me the chance and boy you will see that  
I'm not the kind of girl who just gets down like that
