I could say it's over now
That I was glad to see you go
I could hate you for the way, I'm feeling

My lips could tell a lie
But my heart would know

It's a sin to make me cry
When you know I love you so
I could tell my heart that I don't miss you

My lips could tell a lie
But my heart would know

I could give you all the blame
But I'm sure the truth would show
I could tell this world I found a new love

My lips could tell a lie
But my heart would know

I can't fool my cryin' heart
Because it knows I need you so
I could tell my heart, I'm glad we parted

My lips could tell a lie
But my heart would know

I could say it's over now
That I was glad to see you go
I could hate you for the way, I'm feeling

My lips could tell a lie
But my heart would know
