

## The The "Out Of The Blue"

Visit "[Out Of The Blue](#)" on MotoLyrics.com

I'm a man without a soul...Honey---  
Who lost it while parading it, in a town full of thieves--  
Y'see I didn't wanna be with any people I know.  
But god knows, I didn't wanna be alone--  
I thought if acted like someone else  
I'd feel more comfortable in my time here--  
So I showered down--left my little room  
And jumped in my car for protection from hostility  
Well it ain't easy to be bold--in an unknown city--  
I was feeling strong mouthed, but weak willed.  
When I ran into the cure...for my ills--

Don't tell me what your name is--  
I want your body, not your mind,  
I want a feeling, worth paying for before I say goodbye  
But as I was talking, I couldn't look her in the eyes,  
I just kept wondering,--  
How many men unleashed their frustration between  
her thighs?

There'll be no sleep until the morning  
There'll be no lullabys--  
'case the devil borrowed my clothes just for tonight--

Well my adrenalin, was curdling like cream,  
as I was being led by the hand.  
through the sound of sirens--  
and the distant noise of some drunken jazz band,  
through the stench of disinfectant--  
that "INFECTED" my head,  
through the darkness of a corridor  
and into a strangers bed.

Well I didn't wanna hurt your feelings, honey  
but I couldn't suppress my own,  
I had to pull myself outta this nosedive  
by proving something to myself.

She was lying on her back  
with her lips parted.  
Squealing like a stuffed pig--  
I was going through the motions

faking the emotions,  
and wriggling around like lizard in a tin.

Trying so hard to cleanse myself,  
I was turning into somebody else.  
I was trying so hard to please myself,  
I was turning into somebody else.  
I was trying so hard to be myself  
I was turning into somebody else.  
I was trying so hard to be myself  
I was turning into somebody else.  
I was trying so hard to be myself  
I was turning into somebody else.

Come my love--with your desire--  
Out of the blue...and into the fire!!
