And have you ever wanted something so badly  
That it possessed your body and your soul  
Through the night and through the day  
Until you finally get it

And then you realize that it wasn't what you wanted  
after all  
And then those selfsame sickly little thoughts  
Now go and attach themselves to something or  
somebody new  
And the whole goddamn thing starts all over again

Well, I've been crushing the symptoms  
But I can't locate the cause  
Could God really be so cruel?  
To give us feelings that could never be fulfilled

Baby, I've got my sights set on you, I've got my sight  
set on you  
And someday, someday, someday, you'll come my  
way  
But when you put your arms around me  
I'll be lookin' over your shoulder for somethin' new

'Cause I ain't ever found peace upon the breast of a girl  
I ain't ever found peace with the religion of the world  
I ain't ever found peace at the bottom of a glass

Sometimes it seems the more I ask for, the less I  
receive  
Sometimes it seems the more I ask for, the less I  
receive  
The only true freedom is freedom from the heart's  
desires  
And the only true happiness this way lies
