I believe in Halloween.
All the ghosts that I've never seen.
I believe in all things black.
That we've gone to hell
And will never come back.

Eeeeew....eeeeew....
Eeeeew....eeeeew....

I believe that we're all dead
Besotted by the monster hex
I have counted the tears that have fallen
For I too have been besotted

Eeeeew....eeeeew....
Eeeeew....eeeeew....

I believe in the big screen
That the truth is ugly
But it will set you free.
I believe the end is near.
It may be tomorrow but
I hope it's next year.

Eeeeew....eeeeew....
Eeeeew....eeeeew....
