I'm a real hard nut to crack  
I'm unfinished and I'm undone  
You'll have to follow a very long list  
If you're gonna get me to come.

Aaah lick my shudders, feel my facades.  
Tie my hair in a boyscout knife.  
Tell me you're mine for now....be my wife.  
Live for my air and the wax that I breathe.  
Stick it in savagely then pack your bags and leave.

For I'm a real hard nut to crack.  
Yeah I'm a real hard nut to crack.  
I'm a real hard nut to crack.  
Yeah I'm a real hard nut to crack.

Aaah! Love my aroma.  
My blood and my guts.  
But most of all.  
Do what thou must.
