

## The Thermals "A Passing Feeling"

Visit "[A Passing Feeling](#)" on MotoLyrics.com

Memory wise  
Memory flies  
Memory barely satisfies  
The past steals  
It's a passing feeling

Memory wise  
Memory flies  
Memory rarely satisfies  
The past tense  
Tense and bleeding

You can choke  
Or you can focus  
I wanna forget  
I don't wanna forget  
I don't wanna forget

Memory knows  
Memory goes  
Memory dulling  
But I'm learning slow  
The passing heals  
The past is healing

Memory knows  
Memory stops  
The hum is gone  
When the power's off  
The passing heals  
The past is healing

And you can choke on it  
Or you can focus  
I wanna forget  
I don't wanna forget  
I don't wanna forget

If you have no wishes  
You can still have an opinion  
Everybody's got one  
If you have the free time

I'm sure there's something  
We can agree on  
When you're passing the blame  
No one remembers the same

Memory wise  
Memory flies  
Memory barely satisfies  
The past steals  
It's a passing feeling

Memory knows  
Memory stops  
The hum is gone  
When the power's off  
The passing heals  
The past is healing

And you can focus  
Or you can smoke it  
I wanna forget  
And I don't wanna forget  
I don't wanna forget  
I don't wanna forget  
I don't wanna forget
