Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again

Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again

Replace the wires
On your face lifted sky
We are safe here
We are safe here
Paste the fine point
Your eyes, eyes will stare
I too will stare

The money sings quietly
Replace the wires
On your face lifted sky
We are safe here
We are safe here
Paste the fine point
Your eyes, eyes will stare
I too will stare

And the money
Sings
Quietly
By mid flight
You're terrified

And the money
Sings
Quietly

Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again

Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again

Fire the forces
Fire the torches, high
We are safe here
We are safe here
No slack
In the small
Of your back
Your eyes glazed
In all your days

Replace the wires
On your face lifted sky
We are safe here
We are safe here
Paste the fine point
Your eyes will stare
I too will stare

And the money
Sings
Quietly
By mid flight
You're terrified
And the money
Sings
Quietly

Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again

Oh two
I know I know I know
Look to the flat end
You can see your shadow
Oh two
I know the pattern
Oh two
I know
We'll be here again
