Overgrown, overblown
Nod if you're near
If you can hear me
Signal if you feel it, you're feeling it
I see the fire and it's faceless
I hope you came here to embrace
And not escape it

Tell me if this hurts
If you've heard this
Tell me if it hurts
Is it worth it
We can go to hell
If you can teach me
I finally found my voice
And I'm speechless

It's tough to chew
But we can power through

Yeah-oh
Yeah-oh
Yeah-oh
Yeah-oh

Overgrown, overblown
Tell me if this hurts
If you've heard this
Tell me if it hurts
Is it worth it
I know you came for a reason
I know you came to believe me, believe me

Nod if you're near
If you can hear this
Signal if you feel it, you're feeling it
I see the fire and it's faceless
I hope you came here to embrace it
And not escape it
It's tough to chew
But we can power through

Yeah-oh
Yeah-oh
Yeah-oh
Yeah-oh

Overgrown, overblown
And every day, I wanna feel the same
And every night I don't wanna feel the same
Nod if you're near
If you can hear this
Signal if you feel it, you're feeling it
It's tough to chew
But we can power through

Yeah-oh
Yeah-oh
Yeah-oh
Yeah-oh

Overgrown, overblown
