I think we've reached our limit
I think we're getting finished
But I won't lose too much
If I can still trust you
Know it's not the same
Know it's entertaining
I know I'm unaware
But I just can't bear to leave

No apology
Just quantity

I think we've reached our limit
I think we're getting finished
But I won't lose too much
If I can still trust you
I know it's not the same
I know it's entertaining
I know I'm unaware
But I just can't bear to leave

No apology
Just quantity

I think we've reached our limit
I think we're getting finished
But I'm never on
I'm always wrong
I can always
Trust the opposite

I think we've reached our limit
I think we're getting finished
I'm never on
I'm always wrong
I can always
Trust the opposite

Know it's a revival
Know it's just a cycle
It's time to lose
It's time to move

Know it's not the same
Know it's entertaining
I know I'm unaware
But I just can't bear to leave

I think we've reached our limit
I think we're getting finished
I'm never on
I'm always wrong
I can always
Trust the opposite

I think we've reached our limit
I think we're getting finished
But I'm never on
I'm always wrong
I can always
Trust the opposite
