you hear me knockin at your door
are you ever
gonna let me in?
you've been pacin the floor
not knowing where
to begin

sometimes your mind
is like a wall of steel
you won't let me get near
i have to tell you
just how i feel
and hope you will hear

one to one
open up to me
all i need
is honesty
one to one
open up
to me

these major changes in my life
you never ask me about them
i know when somethin's
not right
how can you call me a friend?

i know you're scared
cause what i ask of you
doesn't come that easy
try to be true, you'll get the knack
all ya gotta do
is give it back

one to one
open up to me
all i need
is honesty
one to one
open up

to me
