when everything is new
you believe
love is everywhere
mama tells you
girl, you see
some don't know how to share

you made me cry
when you said
you'd never lie to me
i don't know why
but in my head
i see it all so clearly

so here it is one for the heart
here it is
can we get started?

i used to listen
to every word
that was ever spoke to me
but some can be so cruel
i've heard you
twist the truth, it's easy

i used to think
everybody would love me
i used to think
everybody would understand
i used to think
everybody would love me
but now i don't know
if you're foe or friend

cause you made me cry
when you said
you'd never lie to me
and i don't know why
but in my head
i see it all so clearly

so here it is one for the heart
here it is
can we get started?
