the road and i  
will spend some time  
it's very far  
but she don't mind  
her arms are long  
she takes me in  
she never asks me  
where i've been

i long to hear the crickets cry  
to see the sun in a southern sky ...

eight hundred miles to savannah  
i wanna go i wanna go  
eight hundred miles to savannah  
i want i wanna go

the road is wise  
and i am green  
so many places  
never seen  
this city wind  
gets bitter cold  
i see my face  
growin old

i long to ly on southern ground  
where the sun's been pourin down ...

eight hundred miles to savannah  
i wanna goi wanna go  
eight hundred miles to savannah  
i wanti wanna go

the road and i  
will spend some time  
it's very far  
but she don't mind  
her arms are long  
she takes me in  
she never asks me

where i've been

i'm gonna hear the crickets cry  
gonna see that sun in a southern sky ...
