sister, no wonder  
you won't raise your head  
to the sky  
you're afraid of thunder  
it makes you cry  
and you don't know why

there's a place that i know  
you can see  
the face of the earth  
that's where i wanna go  
on the wind of my birth  
the wind of my birth

i'm not afraid of dyin  
it's just a setting sun  
on the rise  
come take these wings and try  
it's a world full of butterflies

well i'd like to take you  
where the light  
of the day began  
where the sun  
always breaks through  
shinin down like a friend

i felt you shaking  
awake from your dream  
like a child  
take your heart  
from its' breaking  
and lean on a smile

i'm not afraid of dyin  
it's just a setting sun  
on the rise  
come take these wings and try  
it's a world full of butterflies

sister, no wonder

you won't raise your head  
to the sky  
you're afraid of thunder  
but it's the fourth of july
