baby wants his chicken fried  
i'll make it just the way he likes  
cause my baby's alright  
he's alright

baby likes to take a nap  
in the middle of the afternoon  
well i'll tuck him in on any day  
cause my baby's o.k.  
he's o.k.

and i say, ooh honey  
you're the one i really love  
and when i'm fast asleep  
you're the one i dream of

baby tells me when i'm bad  
he knows how to keep me in line  
oh my baby's fine  
he's fine

sometimes ya know he plays the clown  
to keep the blues from  
pullin me down  
when i need him  
he's always around  
always around

and i say, ooh honey  
you're the one i really love  
and when i'm fast asleep  
you're the one i dream of

so if baby wants his chicken fried  
i'll make it just the way he likes  
cause my baby's alright  
he's alright
