I need a place where i can go, where i can whisper what  
i know, where i can whisper who i like and where i go to  
see them

I need a place where i can hide, where no one sees my  
life inside, where i can make my plans, and write them  
down so i read them, a place where i can be, my heart  
be still, and it will mind me, a place where i can go and  
i am lost and there i'll find me

i need a place to spend the day, where no one say's to  
go or stay, where i can take my pen and draw, the girl i  
need to be, a place where i can be, my heart be still,  
and it will mind me, a place where i can go and i am  
lost and there i'll find me

I need a place to splend the day, where no one say's to  
go or stay, where i can take my pen and dreaw, the girl  
i need to be
